Basic Body

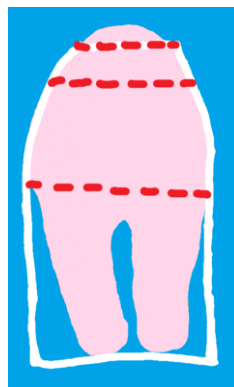

★ Star ★

- 1) ch 2, 5 sc in first st -- 5
- 2) ch 3, sc in next st
- 3-6) rep 4xs, Finish off

★ Assembly ★

- 1) Sew dress onto body according to diagram below. If it helps, place rubber bands on the places shown to give yourself a straight line to sew. Stuff upper part of dress, if too loose.

- 2) Attach arms to upper part of dress. Thumbs should face outward.
- 3) Attach star to middle of stomach on top of dress. Sew each point of the star then sew the bead on top.
- 4) Sew on facial features. Nose should be sewn between and slightly below the eyes. Mouth should be sewn several layers below nose and in the shape of a smile.
- 5) Attach head and neck to body. To attach, first insert dowel, chopstick, or folded/twisted pipe cleaners into the neck. It may be easiest to break chopsticks in half if using those, use duct tape to seal off

splintered edges. Stick neck support into the top of the body and sew all around base of neck.

6) Sew hair onto head. Steps explained below:

Bottom layer: Sew curls onto base of head moving counter-clockwise.

Middle layer: Sew curls onto head so bottom of the straight part touches the top of the previous layer. Work counter-clockwise.

Top layer: Sew curls onto head so bottom of the straight part touches the top of the previous layer. Work counter-clockwise.

Back poof: Sew along back layer of curls.

Front poof: Sew to head so bottom corners touch the corners of the back poof. Sew the tops together and leave a space for stuffing. Stuff the poof then finish sewing together.

Side bangs: Sew on each side of the poof next to the curls.

Main bangs: Sew along bottom edge of poof between two side bangs. The two ends should hang down just a tiny bit.
